Dear Mom & Dad,

I hope things went well for you all in Kansas. That sounded like a good get away for you two.

I saw Uncle John ref the Wake Forest - Carolina game last night. It was really a good one.

Brad Wamble, one of UNC's players, was at the WWC gym last Sunday. We had pickup

games and I scored a kick shot over him on a fast break. It surprised everyone, especially me and V.

V. we had the card for a while so I thought I finally send it. Thinking about y'all and love ya. -Mark
